Dear Mrs Bastow, Mr M Hill,

Re: Planning application number NYM/2021/0530/NM Meadowcroft, Dark Lane, Raw

As the neighbour at Croft Cottage to Meadowcroft, Dark Lane, Raw, I would like the following point to be noted and discussed re the advised plans for the above property that were sent to me on the 13/07/21.

I see that an additional roof light has been added to the upstairs plans on the side of the property that will overlook my home. This now means I will have 3 roof lights that will look over my conservatory which has a glass roof on it allowing people to see inside. This is a further loss to my privacy and I therefore object to the new plans that have been submitted.
