**To:** Mark Hill >

**Subject:** NYM/2021/0485/FL - land east of High Dalby House, Dalby Forest:

Dear Mark,

Turtle doves are currently and have previously nested in the area around High Rigg farm therefore if this application is approved we would ask that construction of the mast does not take place between March and August inclusive, to avoid disturbance to nesting birds.

Regards,

Holly Ramsden  
Conservation Officer

Hi

**Please note below the Parish Council's response to the most recent Planning Application Consultations for your information:**

**NYM2021 0478/FL** – 2 Castle Garth, replacement of and alterations to existing extension – NO OBJECTIONS

**NYM2021 0485/FL** – application by the Home Office for Emergency Services mast erection in Dalby Forest – NO OBJECTIONS

If you can process the responses accordingly, thank you.

Regards

Emma

Re: Planning Application: NYM/2021/0485/FL

**Response by Arqiva**

Thank you for the opportunity to review and comment on the above development.

Arqiva is responsible for providing the BBC, ITV and the majority of the UK's radio transmission network and is responsible for ensuring the integrity of Re-Broadcast Links. Tall infrastructure such as wind turbines and other tall structures have the potential to block radio transmission links and rebroadcasting links (through direct blocking of radio signal or deflecting signal). Our radio transmission networks normally operate with a 100m buffer either side of a radio link, free from interference by tall development.

We have considered whether this development is likely to have an adverse effect on our operations and have concluded that we have no objections to this development.

If you would like to discuss this matter further, please do make contact.

Yours faithfully  
Keith Waudby  
Arqiva

Thank you for the opportunity to comment on this application of behalf of the Ramblers' Association.

We do not wish to comment, other than to note that we expect the NPA will require the applicant to ensure that safe access to rights of way is maintained at all times.

Colin Monson  
Footpath Secretary, Ramblers' Association
