Mr Roger Norris

Hall Lane

Glaisdale

Whitby

Dear Roger

Proposed Footpath over Common Land at Woodwarks Bank Glaisdale.

Further to the site visit of members of the Court Leet on the 6th OF Feb 2021 I am able to confirm that The Court Leet have no objection to your proposal to create a footpath across Common Land as outlined at by yourself , and as set out on the map and plan which you submitted. The jury agreed it would enhance the safety of pedestrians in that area.

The Jury would prefer to see any surface dressing used to be something like woodchippings perhaps but not tarmac.

I trust you find this in order.
