Dear Hilary

I have no objection in principle to this proposal, but do note that from aerial imagery the proposed link extension would appear to block off all vehicular access to the barns to the west of the property. Provided that approval of this development would not necessitate additional access works in the future which could impact on surrounding habitats then I have no objection.

I believe bat, bird and swift informatives should already have been requested to be included in the decision notice if approved.

Best wishes

Elspeth
