

**Planning (Listed Buildings and Conservation Areas) Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Listed Building Consent**

To Mr N and Mrs E Pullin
c/o Cheryl Ward Planning
24 Westfield Mews
Kirkbymoorside
York
YO62 6BA

The above named Authority being the Planning Authority for the purposes of your application validated 06 July 2021, in respect of **internal and external alterations to public house to enable use as 2 no. principal residence dwellings** at **Wheatsheaf Inn, High Street, Egton** has considered your said application and has **refused** permission for the proposed development for the following reason(s):

- 1 The features associated with a public house such as the signage or the bar, whilst not of intrinsic heritage value in their own right, contribute to the significance of the building, particularly the historical and communal values of the buildings. As such their loss would be harmful to the significance of the listed building, this would be considered as less than substantial. There are no public benefits to the proposal and there is no evidence to suggest that this would be the optimal viable use of the building. Furthermore there is no clear and convincing justification of the necessity of the works for the building integrity or to meet its optimal viable use. |The proposal is therefore considered to be contrary to the NPPF sections on designated heritage assets and Strategic Policy I of the North York Moors Local Plan.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and concluded that the scheme represents a form of development so far removed from the vision of the sustainable development supported in the Development Plan that no changes could be negotiated to render the scheme acceptable and thus no changes were requested.

**Planning (Listed Buildings and Conservation Areas) Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Listed Building Consent**

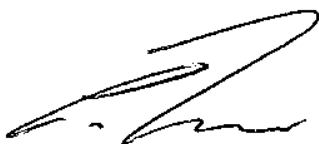

Notes

1. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until further approval has been obtained.
2. Attention is drawn to Section 8 (2)(C) of the Planning (Listed Buildings and Conservation Areas) Act 1990, the effect of which is that demolition of a Listed Building may not be undertaken (despite the terms of the consent granted by the Local Planning Authority) until notice of the proposal has been given to English Heritage, Architectural Investigation Section, 37 Tanner Row, York, YO1 6WP, and they subsequently have either been given reasonable access to the building for at least one month following the grant of consent, or have stated that they have completed their record of the building or that they do not wish to record it.
3. (a) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse Listed Building consent, for the proposed works, or to grant consent subject to conditions, they may appeal to the Secretary of State in accordance with Sections 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990 within six months of the date of this notice. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
(b) If Listed Building consent is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, they may serve on the council of the county/district a purchase notice requiring that council to purchase his interest in the land in accordance with the provision of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
(c) In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

**Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or

5. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
