Subject: RE: New Application Post - NYM/2021/0600/FL - Conservation

Hi Hilary

Thank you for your email.

I confirm the site will be on mains drainage and drainage engineers will be producing a drainage layout & attenuation detail which I will send you as soon as I receive.

We will remove log burners as requested.

We proposed downlighters to either side of the doors like the image attached.

The landscape architects will provide a more detailed planting, landscape & bird / swift information which I will send as soon as I receive.

Kind regards,

ROB KAMINSKI
