The Ancient Monuments Society (AMS) is one of the National Amenity Societies and, as such, is a consultee on all Listed Building Consent applications involving an element of demolition as required by the *Arrangements for handling heritage applications – notification to Historic England and National Amenity Societies and the Secretary of State (England) Direction 2021*. The Society also takes an interest in planning applications affecting historic buildings in conservation areas and undesignated heritage. We concern ourselves with historic buildings of all types and ages.

Dear Team

NYM/2021/0623/FL & NYM/2021/0626/LB

Unfortunately, this was too late to get onto our September meeting agenda due to the need of sending agenda out early. As the determination date is the 11 October please may the parish council ask for an extension for response in order that the parish council may hold an Extraordinary Meeting.

Regards

Victoria Pitts

Subject: Comments on NYM/2021/0626/LB - Case Officer Mrs Hilary Saunders - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP, via

No objection to the design of the proposals, as the designs are in accordance with advice given at pre-application. The heritage statement is one of the best examples submitted to the Authority and the applicants should be thanked in this regard. Although quite a large extension there is clear and convincing justification for an extension this size and given the quality of the current extension it will be an enhancement to the building a whole.

Please apply the following conditions

The roof of the development hereby permitted shall be clad with traditional, non interlocking, non pre-coloured natural red clay pantiles and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority

No work shall commence on the installation or removal of any doors/ windows in the development hereby approved until detailed plans showing the constructional details and external appearance of all external doors/ windows and frames (and glazing if included) have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. All doors/windows shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

All pipework/cabling and other services related to the internal accommodation is to be located internally unless agreed in writing with the Local Planning Authority

The external face of the frame to all new windows shall be set in a reveal or match the existing building or a minimum of 60mm from the front face of the adjacent walling and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

The details of any new lintels and cills together with any replacement lintels and cills, shall be submitted to and approved in writing by the Local Planning Authority. The work shall accord with the details hereby approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority. Trickle vents shall not be incorporated into any new windows hereby approved and shall not be installed thereafter unless otherwise agreed in writing with the Local Planning Authority.

No work shall commence on the installation of any rooflights in the development hereby approved until full details have been submitted to and approved in writing by the Local Planning Authority. The rooflights shall be flush fitting and fixed or top-hung metal conservation style and shall be installed in accordance with the approved details and maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

All rainwater goods shall be painted metal in black or a colour to be agreed in writing by the Local Planning Authority and thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing.

No work shall commence to paint the external joinery in the development hereby approved until a scheme for the painting of all external joinery has been submitted to and approved in writing by the Local Planning Authority. The scheme shall include details of the proposed treatment for doors, windows, shutters, stable doors and any other exterior joinery fixtures. The works shall be carried out in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

External lighting

Stone panel to be approved

Dear Mrs Saunders

Arrangements for Handling Heritage Applications Direction 2021

**THE WILSON ARMS, BEACON WAY, SNEATON
Application No. NYM/2021/0626/LB**

Thank you for your letter of 12 August 2021 regarding the above application for listed building consent. On the basis of the information available to date, we do not wish to offer any comments. We suggest that you seek the views of your specialist conservation adviser.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.

Yours sincerely

J Irvine
