Dear Mr Harrison

Trees in Conservation Area – Eskvale House, Lealholm

Thank you for the notification of your intention to carry out works to trees at Eskvale House which was received by this office on 3 September 2021.

I can confirm that the North York Moors National Park Authority has no objection to the work taking place as detailed in your application for tree works form dated 1 September 2021. The reason for consent is that the trees to be removed are either unsuitable for long term retention or have limited amenity value.

If you are not the owner (usually the landowner of the land on which the trees stand) please ensure the owner is happy for you to carry out this work.

As stated in the Town and Country Planning Act 1990 (Listed Buildings and Conservation Areas), the above permission is subject to a six week notification period, with the details recorded in a register open to public inspection. This six week period from the date of notification has now elapsed and therefore the work noted above can be carried out at your earliest convenience within a period of two years and without further reference to myself.
