

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

To: The Snilesworth Trust
c/o Edwardson Associates
fao: Thorfinn Caithness
10 Paddock House
Middle Street South
Drifffield
East Yorkshire
YO25 6PT

The above named Authority being the Planning Authority for the purposes of your application validated 10 October 2019, in respect of proposed development for the purposes of **removal of modern agricultural buildings, conversion of redundant agricultural buildings to 1 no. principal residence dwelling with annexe and associated parking, turning area, amenity space and landscaping works** at **Centre Farm, Battersby** has considered your application and has **granted** permission for the proposed development subject to the following:

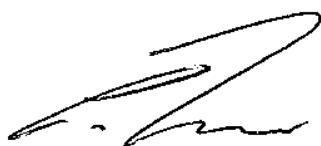

Condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Site Plan - proposed	101 Rev B	16/07/2020
Floorplans, & sections - proposed	102 Rev B	16/07/2020
Roof plan & sections details	103 Rev B	16/07/2020
Elevations as proposed	104 Rev B	16/07/2020
Site elevations as proposed	105 Rev B	16/07/2020
Conservation roof light details	107 Rev B	16/07/2020
Glazed vent details	108 Rev A	16/07/2020

or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority

Continued/Condition(s)

Mr C M France
Director of Planning

Date 21 October 2021

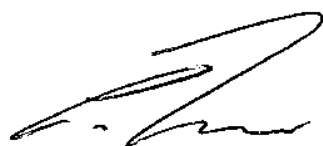

Please Note your Rights of Appeal are attached to this Decision Notice

Town and Country Planning Act 1990
North York Moors National Park Authority

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

3. The application property hereby permitted, shall be used as a principal residential dwelling (Class C3) and for no other purpose including any other use in Class C of the Schedule to the Town and Country Planning (Use Classes) Order 2020 (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification). The property shall be the only or principal home of the main occupant and it shall be occupied by the main occupant for at least 80% of the calendar year in the event that the main occupant occupies more than one property. The property shall not be occupied by the main occupant as a second home. The occupants shall supply to the local planning authority (within 14 days of the local planning authority's request to do so) such information as the local planning authority may reasonably require in order to determine compliance with this condition. For the avoidance of doubt the property shall not be used as a single unit of holiday letting accommodation.
4. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order), no development within Schedule 2, Part 1, Classes A to H Schedule 2, Part 2, Classes A to C and within Schedule 2 Part 14 Classes A to I of that Order shall take place without a further grant of planning permission being obtained from the Local Planning Authority.
5. The accommodation hereby approved shall not be occupied as a separate independent dwelling and shall remain ancillary to the use of the main dwelling hereby approved and shall form and shall remain as part of the curtilage of this main dwelling as a single planning unit and shall be used only for members of the family of the occupier of the main dwelling.
6. No external lighting shall be installed in the development hereby permitted until details of lighting have been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.
7. This permission has been granted in accordance with the details specified in the survey prepared by Dudley Consulting (Hull) Ltd received on 3 October 2019. More extensive works of demolition and rebuilding that does not accord with these details may render the permission invalid and may require a further grant of planning permission from the Local Planning Authority.
8. The external face of the frame to all new windows shall be set in a reveal of a minimum of 60mm from the front face of the adjacent walling and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

Mr C M France
Director of Planning

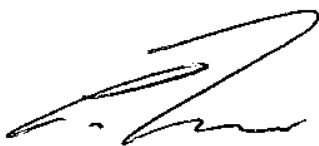

Date 21 October 2021

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

9. No work shall commence on the installation of any windows or doors (incl. stable doors/shutters) in the development hereby approved until detailed plans showing the constructional details and external appearance of all external windows, doors and frames (including glazing) have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. All windows/doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
10. The roof of the development hereby permitted shall be clad with traditional, handmade natural red clay pantiles the details of which shall be submitted to and approved in writing by the Local Planning Authority and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
11. For those buildings where the roof is proposed to be raised in order to expose the timber roof structure internally, all existing water tabling shall be carefully removed and reused. If new water tabling is required these should be reclaimed stone to match those of the existing.
12. No work shall commence on the laying of any external surfaces in the development hereby approved until a sample of the materials to be used in the construction of new external surfaces shall have been prepared on site for inspection and approved in writing by the Local Planning Authority. A sample panel showing the construction materials shall be at least 1 metre x 1 metre and show the proposed material, coursing, jointing, method of tooling (if necessary), bond, mortar, pointing technique. A palette of other materials to be used in the development (including roofing, water tabling, new lintels and cills, cladding and render if necessary) shall also be made available. The development shall be constructed in accordance with the approved sample(s), which shall not be removed from the site until completion of the development.
13. Joints in stonework should be carefully raked out utilising hand tools narrower than the width of the joint to a minimum depth of 1 ½ times the width of the joint or until sound mortar is reached. Power tools such as drills should not be used.
14. All pointing in the development hereby permitted shall accord with a specification which has been approved in writing by the Local Planning Authority. The mortar mix proposed should be based on a typical mix of a non-hydraulic quicklime mortar mixed at a ratio of 1:3 (dry non-hydraulic quicklime: sand) and include the method of application and finish. A sample area may also be required by the Local Planning Authority. The pointing shall thereafter be so maintained unless otherwise agreed in writing by the Local Planning Authority.

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

15. No work shall commence on the installation of any external fixtures to the building to which this permission/consent relates until details of all external fixtures have been submitted to and approved in writing by the Local Planning Authority. The details should include for provision for any exterior fittings including but not limited to lighting, meter boxes, alarm fittings, security cameras, cabling, signage, wall or roof flues, television antennae and satellite dishes that may be proposed to be installed. The external fixtures shall be installed wholly in accordance with the approved details.
16. No work shall commence to lay hard or soft landscaping for the development hereby permitted until full details of any such landscaping such as paths, walls, driveways etc have been submitted to and approved in writing by the Local Planning Authority, including a timetable to implement the proposed works. The landscaping works shall then be implemented in accordance with the approved details. The landscaping shall be maintained in perpetuity unless otherwise agreed in writing by the Local Planning Authority.
17. The development hereby permitted shall be carried out in accordance with the mitigation measures set out in Section 9 of the Bat, Breeding Bird and Barn Owl report prepared by MAB Ecology dated June 2019 and submitted on 3 October 2020.
18. Before the development hereby permitted commences, the applicant/ecological consultant shall forward a copy of the Natural England European Protected Species Licence covering approved mitigation to the National Park Authority.
19. No building shall be inhabited to which this permission/consent relates until the building recording and analysis which has been carried out has been archived in accordance with the details in the approved Written Scheme of Investigation.
20. There shall be no access or egress by any vehicles between the highway and the application site until full details of any measures required to prevent surface water from non-highway areas discharging on to the existing or proposed highway together with a programme for their implementation have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority. The works shall be implemented in accordance with the approved details and programme.
21. There shall be no access or egress by any vehicles between the highway and the application site (except for the purposes of constructing the initial site access) until splay areas are provided giving clear visibility of 43m measured along both channel lines of the main road from a point measured 2.4m down the centre line of the access road. The eye height will be 1.05m and the object height shall be 0.6m. Once created, these visibility areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

22. Unless otherwise approved in writing by the Local Planning Authority, there shall be no excavation or other groundworks, except for investigative works, or the depositing of material on the site in connection with the construction of the access road or building(s) or other works hereby permitted until full details of the following have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority:
- a. improvements to the surface of the access
23. No part of the development shall be brought into use until the approved vehicle access, approved under condition number 22 are available for use unless otherwise approved in writing by the Local Planning Authority.
Once created these areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.
24. No dwelling shall be occupied until the related parking facilities have been constructed in accordance with the approved drawing no. CAJO 2019.03 drawing no: 101 B .Once created these parking areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.
25. There shall be no access or egress by any vehicles between the highway and the application site until details of the precautions to be taken to prevent the deposit of mud, grit and dirt on public highways by vehicles travelling to and from the site have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority. These facilities shall include the provision of wheel washing facilities where considered necessary by the Local Planning Authority in consultation with the Highway Authority. These precautions shall be made available before any excavation or depositing of material in connection with the construction commences on the site and be kept available and in full working order and used until such time as the Local Planning Authority in consultation with the Highway Authority agrees in writing to their withdrawal.
26. Unless approved otherwise in writing by the Local Planning Authority there shall be no establishment of a site compound, site clearance, demolition, excavation or depositing of material in connection with the construction on the site until proposals have been submitted to and approved in writing by the Local Planning Authority for the provision of:
- a. on-site parking capable of accommodating all staff and sub-contractors vehicles clear of the public highway
- b. on-site materials storage area capable of accommodating all materials required for the operation of the site.
- c. The approved areas shall be kept available for their intended use at all times that construction works are in operation.

Date 21 October 2021

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

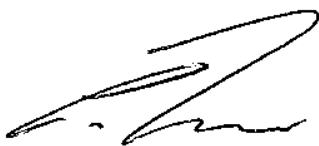

Informative(s)

1. Listed Building consent has also been granted for this development. You are advised to obtain sight of the notice of Listed Building consent and the approved plans and ensure that the development is carried out strictly in accordance with the approved plans and the terms and conditions of the Listed Building consent.
2. In relation to conditions above relating to visibility splays, an explanation of the terms used above is available from the Highway Authority.
3. The proposals shall cater for all types of vehicles that will use the site. The parking standards are set out in the North Yorkshire County Council publication 'Transport Issues and Development - A Guide' available at www.northyorks.gov.uk

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. In order to comply with NYM Strategic Policy M which seeks to restrict the occupancy of new residential development to those people who will make the property their principal residency and thus contribute to the sustainability of the local community.
4. In order to enable the Local Planning Authority to retain control over future alterations to the property in the interests of safeguarding the existing form and character of the building in line with Strategic Policies A and C of the North York Moors Local Plan, which seek to enhance and conserve the special qualities of the National Park and secure high quality design for new development.
5. The site is in a location where new residential development would be contrary to Strategic Policy M of the North York Moors Local Plan but the accommodation has been permitted in this instance to meet the specific needs of the dwelling at the site in accordance with Policy CO18 of the Local Plan.
6. In order to comply with the provisions of NYM Strategic Policy A which seeks to ensure that new development does not detract from the quality of life of local residents.
7. In order to ensure that the development is carried out in a manner which safeguards the existing fabric of the building and to comply with the provisions of NYM Policy ENV11.

- 8 – 10. For the avoidance of doubt and in order to comply with the provisions of NYM Strategic Policies A & C which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 11 – 14. In order to ensure that the development is carried out in a manner which safeguards the existing fabric of the building and to comply with the provisions of NYM Policy ENV11.
- 15 & 16. For the avoidance of doubt and in order to comply with the provisions of NYM Strategic Policies A & C which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 17 & 18. In order to comply with the provisions of NYM Strategic Policy H which seeks to protect species protected under national and international legislation.
- 19. In order to ensure that the development is carried out in a manner which safeguards the existing fabric of the building and to comply with the provisions of NYM Policy ENV11.
- 20 – 26. In accordance with Policy CO2 of the North York Moors Local Plan and in the interests of road safety.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and recommended changes to the proposed design detailing so as to deliver sustainable development.

Mr C M France
Director of Planning

Date 21 October 2021

Please Note your Rights of Appeal are attached to this Decision Notice

Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
 - a) refuse an application for planning permission or grant it subject to conditions;
 - b) refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
 - c) refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
