Hi, following my telephone conversation today, please find attached 2 council tax bills from a few years back as requested as proof of local occupancy. We have lived at Swallows Mill since August 2002. The property we are looking at present is Highrising in RHB which we may or may not be successful in buying. Do we have to gain a letter confirming local occupancy for every property we are interested in or does your acceptance cover all such properties where this restriction applies?

thank you for your attention.

David
