Dear Mrs Money

Trees in Conservation Area – Oak Tree House, Egton Bridge

Thank you for the notification of your intention to carry out work to trees at Oak Tree House which was received by this office on 8 October 2021.

I can confirm that the North York Moors National Park Authority has no objection to the following works:

T1 (A) Plum	Re-pollard to previous pruning points
T2 (B) Willow	Re-pollard to previous pruning points
T3 (C) Maple	Re-pollard to previous pruning points
Reason for consent: trees have been pollarded in the past and the work is reasonably required for the maintenance of the trees.	

As stated in the Town and Country Planning Act 1990 (Listed Buildings and Conservation Areas), the above permission is subject to a six week notification period, with the details recorded in a register open to public inspection. This six week period from the date of notification has now elapsed and therefore the work noted above can be carried out at your earliest convenience within a period of two years and without further reference to myself.
