

Application reference: NYM/2021/0916/FL

Application for variation of condition 3 of planning approval NYM/2006/0245/FL to allow the amalgamation of 2 no. adjoined holiday letting units to form a single residential annexe at Westfield Farm, Station Lane, Cloughton

Plan and supporting information

Cottage 1 & 2 are separate accommodation, albeit in the same building. The intention is to knock through the dividing wall and create a single annex accommodation.

Cottage 3 has had minimal works done to it to convert it into holiday accommodation. There is no intention at this stage to use this unit as any form of accommodation and it will remain as an outbuilding for the near future.
