---

Millbrook, Chapel Street, Robin Hoods Bay

NYM/2021/0969/CLLB

Certificate of lawfulness for installation of 2 no. like for like replacement timber windows to south elevation of Grade II Listed Building.

Consultee response:

Reviewing this application, I approve in principle the 2no. accurate copy replacement vertical sliding sashes providing the following conditions are met:

- Cross sectional details are provided
- Description of materials to be used i.e. timber for the box, sashes and sills

Should the joiner wish to call me for a discussion regarding this application, my extension is 2537.

To conclude, although important information has been provided showing how the replacements will be an accurate copy – relating to the glazing bar moulding and historic glass re-use – we require further information (stated above) to ensure the historic windows are replicated exactly.
