Subject: Re: NYM/2022/0057

To the planning team,

In reference to the email and letter below, I noticed that the formal description of the proposed development is incorrect.

The description includes 'installation of flue'. We are not proposing to install a new flue as part of the works, both flues on the property are confirmed as existing on the submitted planning application drawings.

I would appreciate it if the development description can be revised to suit the above.

Kind regards

Ian
