Dear Sir/Madam,

I am writing regarding fulfilling the two conditions for replacement windows at Fishermans Cottage, the Dock Robinhoods Bay. Reference number NYM/2021/0800/LB. The first is regarding the paint colour of the windows. As we bought the property with this colour already painted on them we are unsure of its exact shade, or brand. The closest colour we have been able to identify it to is Mizzle 266 by Farrow and Ball. And intent to paint the new frames this colour if this is acceptable to you. The second is that I can confirm we have no intentions of adding any calls where they do not previously exist, and have confirmed this with our contractors. Hopefully all the above is acceptable.

Yours Faithfully
