Dear Sirs

**Construction of 1 Replacement Dwelling with Associated Landscaping Works
Honey Bee Nest, Glaisdale – Approval No: NYM/2019/0732/FL**

Further to the above planning approval our clients are now moving forward with discharging conditions and preparing working drawings. They would like to install the same windows all around the house as per the rear approved and side facing the Arncliffe Arms so we attach the amended plan showing front and side elevations altered dwg 6 Rev B and would request that this alteration could be taken as a variation of condition to the approved plans. (No 2)

We hope this will be acceptable.

Regards

Julie Trewitt
