Please note I wish to attend the planning committee meeting to listen/speak.

I would appreciate confirmation of this e mail along with a time you feel appreciate for me to arrive. Never having attended a committee meeting have you a copy of guidelines for me to follow and am I able to leave once this matter is dealt with ?

Ref Planning Application NYM/2021/0175/FL

To whom this may concern

I am writing to show my support of the planning application of no 2 Railway Cottage Goathland. I feel that the plans show a sympathetic and modest extension to the property offering the 72 year old occupant more of a practical living space for them in their advancing years, now struggling with stairs.

There would be very little if practically any great alteration to the street landscape and is not overlooked closely by any other neighbouring properties.

Regards

Mark Howlett
