

North York Moors National Park Authority

19 May 2022 Planning Committee members update sheet

Plans list item 1, NYM/2022/0178

The Highway Authority have withdrawn their objection to the proposal after further interrogation of the highway extent records revealed that the extent of the highway boundary terminates at the edge of the carriageway and does not extend up to the face of the building. As such the proposed parking area is outside the limit of the highway. They have recommended a number of conditions in relation to the provision and maintenance of the proposed car parking spaces to serve the development be attached to any permission granted.

The application has therefore been withdrawn from the planning agenda and will be determined under the Director of Planning's delegated powers.
