---

Dear Sir/Madam,

I have just discovered that our neighbour in Robin Hood's Bay at Hilda Cottage has submitted a planning application. NYM/2022/0370.

Is it not usual to contact/inform the neighbours?  
We own Gormenghast, Shell Hill, Robin Hood's Bay YO22 4SL.

In the application, it is written:

9.0 Neighbouring Properties

It is not felt that there is any loss of residential amenity to any adjoining owners of residential property.

Considering the close proximity cottages are to each other in RHBay, I would offer that any impact or loss would be best described by the neighbours, not by the Agent or Applicant.

Thank you.

Nigel Sutterby
