Good Morning

In line with the below Condition 1, we are writing to inform the necessary persons that the development at 10 The Cliff will commence on the 20th June 2022.

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission (21st March 2022).

We have informed Scarborough Council and have attached the demolition notice for your file. Further to the advice on the decision notice regarding bats and swifts, we have consulted our Ecologists 'INCA' who have agreed with us that it is highly unlikely that there would be bats or swifts present within a structure of this type. Work will however be stopped as advised by INCA should evidence on the contrary be found during demolition and INCA will then be reconsulted.

Further to Condition 10 below:

10. No work shall commence to erect the screen fencing to the east, south and west boundaries of the development hereby approved until details of the fencing has been submitted to and approved in writing by the Local Planning Authority. The details shall include the height, material and design/appearance of the fence. The work shall be completed in accordance with the approved details prior to the cabin first being brought into use, or completion of the development, whichever is the sooner, or in accordance with a programme agreed by the Local Planning Authority and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority

We have discussed the design of the fence on the eastern boundary of the site with our neighbours wk. 16th May. Given their concerns throughout the consultation stage regarding fencing in their horses, we would like to erect a 6ft privacy timber fence as soon as the nissen hut has been demolished. We have agreed with our neighbours that the post side (as per the below image) will face our development and leave the board side facing their field. We have a contractor arranged to carry out these works subject to agreement by NYMNP.

Example of fence below

Eastern Edge of nissen hut below. Fence will be erected from the neighbours stable (south of nissen hut) to the gate in the below picture.

Please advise if we need to do anything further or if the attached information is sufficient to start the development as planned discharging the two conditions?

Kind regards
Dave and Becky Rawson

The above named Authority being the Planning Authority for the purposes of your application validated 17 December 2021, in respect of proposed development for the purposes of **demolition of nissen hut and erection of 1 no. timber cabin for holiday letting purposes at 10 The Cliff, Iburndale**, has considered your application and has **granted** permission for the proposed development subject to the following:

Condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Location Plan	N/A	17 Dec 2021
Site Plan	N/A	10 Dec 2021
Access Plan	N/A	10 Dec 2021
Proposed elevations & plan	N/A	10 Dec 2021
Block & screening plan	N/A	10 Dec 2021
Utilities & environment	N/A	10 Dec 2021
Additional information (e-mail and plan)	N/A	18 Feb 2022

or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority.
3. The dwelling unit hereby approved shall not be used for residential purposes other than holiday letting purposes. For the purpose of this condition 'holiday letting' means letting to the same person, group of persons or family for period(s) not exceeding a total of 28 days in any one calendar year.
4. The holiday unit hereby permitted shall form and remain part of the curtilage of the main dwelling known as 10 The Cliff as a single planning unit and shall not be sold or leased separately from the main dwelling without a further grant of planning permission from the Local Planning Authority.
5. No external lighting shall be installed in the development hereby permitted until details of lighting have been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.

Informative(s)

1. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc.) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately, and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.
2. Under Section 1 of the Wildlife and Countryside Act 1981 (as amended), wild birds are protected from being killed, injured or captured, while their nests and eggs are protected from being damaged, destroyed or taken. In addition, certain species such as the Barn Owl are included in Schedule 1 of the Act and are protected against disturbance while nesting and when they have dependent young. Offences against birds listed in Schedule 1 of the Wildlife and Countryside Act are subject to special penalties. An up-to-date list of the species in Schedule 1 is available from [Natural England](#). Further information on wildlife legislation relating to birds can be found on the [RSPB's website](#). If advice is needed, please contact the National Park Authority's Conservation Department on 01439 772700 or conservation@northyorkmoors.org.uk.
3. Swift (*Apus apus*) populations are declining in the UK due to the loss of nest sites in roof spaces as old buildings are renovated or demolished. Swifts occupy nest sites between May and August, making little noise and causing no mess or smell. Swift populations can be supported by the inclusion of simple and affordable measures during building construction or renovation, such as purpose-made 'swift bricks' or the creation of small loft voids. Guidance can be found on the [Swift Conservation website](#); with additional swift box ideas from [Action for Swifts](#).

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan, which seek to conserve and enhance the special qualities of the National Park.

3. The site is in a position where the permanent occupation of the accommodation hereby permitted as a separate independent dwelling unit would be likely to be detrimental to the residential amenities of existing and future occupiers of the holiday accommodation and main dwelling in accordance with Policy UE4 of the North York Moors Local Plan.
4. The site is in a position where the permanent occupation of the accommodation hereby permitted as a separate independent dwelling unit would be likely to be detrimental to the residential amenities of existing and future occupiers of the holiday accommodation and main dwelling in accordance with Policy UE4 of the North York Moors Local Plan.
5. In order to comply with the provisions of NYM Strategic Policy A which seeks to ensure that new development does not detract from the quality of life of local residents and in accordance with Local Plan Policy ENV4 which seeks to protect dark night skies.
- 6 – 8. For the avoidance of doubt and in order to comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
9. In accordance with Policy CO2 of the North York Moors Local Plan and in the interests of highway safety.
10. For the avoidance of doubt and in order to comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
11. In order to comply with the provisions of Strategic Policy C of the North York Moors Local Plan which seeks to ensure that new development incorporates a landscaping scheme which is appropriate to the character of the locality and retains important existing features.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Local Planning Authority has acted positively and proactively in determining this application by identifying areas of the application which required further information/clarification with the applicant's agent and requesting the submission of additional information to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Please Note your Rights of Appeal are attached to this Decision Notice

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
- a) refuse an application for planning permission or grant it subject to conditions;
 - b) refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
 - c) refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.

2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
