Dear Team

At the meeting of Eskdaleside cum Ugglebarnby Parish Council on the evening of Monday 6 June 2022, the parish council RESOLVED No Objections but with the following comment: on the condition that the current 2 belle tents are replaced with the proposed 2 camping pods, and are not additional units above the number of structures permitted under the original conditions, and are not substantially bigger than the belle tents.

With reference to the above planning consultation, we have no objections to the use of camping pods in lieu of bell tents. As previously advised, the applicant and agent must hold a licence to use such for the purposes of human habitation prior to the site coming into use. A licence can be obtained by contacting me on the details given below.
