The above named Authority being the Planning Authority for the purposes of your application validated 13 May 2022, in respect of proposed development for the purposes of **installation of glazing to rear elevation gable at Hall Farm, Hall Farm Road, Low Hawsker** has considered your application and has **granted** permission for the proposed development subject to the following:

Condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved.
3. No work shall commence on the installation of the glazing in the development hereby approved until details of dark skies compliant measures, to reduce light spill from the glazed areas, have been submitted to and approved in writing by the Local Planning Authority. The work shall accord with the details so approved and shall be maintained in that condition in perpetuity.

Informative(s)

1. Where the development includes enlarged areas or new glazing developers measure need to be incorporated in order to remove or minimise light spill. Such measure may include treated or tinted glazing, solar film, electronically controlled blinds and smart glass. Any new lighting installed should be designed and installed to minimise the effects of light pollution. This could include the use of shielding to avoid upward glare, avoidance of the use of higher intensity lights and use of lighting triggered by movement sensors.
See <https://www.darksky.org/our-work/lighting/lighting-for-citizens/led-guide/> and <https://www.darksky.org/our-work/lighting/lighting-for-citizens/lighting-basics/>
This is to protect the nocturnal wildlife and the quality of the dark night skies above the National Park in accordance with Policy ENV8 of the North York Moors Local Plan and to support the North York Moors National Park's Management Plan Policy E20 – "Dark skies will be protected and improved. New development in the National Park will not cause unacceptable light or noise pollution".

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development**

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan, which seek to conserve and enhance the special qualities of the National Park.
3. In order to enable the Local Planning Authority to retain control over future alterations to the property in the interests of safeguarding the existing form and character of the building in line with North York Moors Local Plan Strategic Policies A and C, which seek to enhance and conserve the special qualities of the National Park and secure high quality design for new development that does not detract from the quality of life of local residents; in accordance with Policy ENV4 which seeks to protect dark night skies.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and confirmed to the applicant/agent that the development is likely to improve the economic, social, and environmental conditions of the area.

Mr C M France
Director of Planning

Please Note your Rights of Appeal are attached to this Decision Notice

Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
 - a) refuse an application for planning permission or grant it subject to conditions;
 - b) refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
 - c) refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
