Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

## Town and Country Planning Act 1990

You can complete and submit this form electronically via the Planning Portal by visiting www.planningportal.gov.uk/apply

## Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Please complete using block capitals and black ink.

You must use this form if you are applying for work to trees protected by a tree preservation order (TPO). (You may also use it to give notice of works to trees in a conservation area).

It is important that you read the accompanying guidance notes before filling in the form. Without the correct information, your application / notice cannot proceed.

1. Applicant Name and Address	2. Agent Name and Address			
Title: First name:	'Title: MR First name: AIN			
Last name:	Last name: GRAMAM			
Company (optional): NORTH ORKSMIRS County	Company OAKDALE NE LTD

5. What Are You Applying For?	6. Tree Preservation Order Details
	If you know which TPO protects the tree(s), enter its title or number
Are you seeking consent for works to tree(s) Yes No subject to a TPO?	below.
Are you wishing to carry out works to tree(s)	
in a conservation area?	
7. Identification Of Tree(s) And Description Of Work	S
Please identify the tree(s) and provide a full and clear specification	of the works you want to carry out. Continue on a separate sheet if
necessary. You might find it useful to contact an arborist (tree surgereted by a TPO, please number them as shown in the First Sch	geon) for help with defining appropriate work. Where trees are ledule to the TPO where this is available. Use the same numbers on
your sketch plan (see guidance notes).	
	I the number used on the sketch plan) and description of works. Where e work and, where trees are being felled, please give your proposals for
planting replacement trees (including quantity, species, position a E.g. Oak (T3) - fell because of excessive shading and low amenity value	and size) or reasons for not wanting to replant.
