**Informative(s)**

1. Under Section 1 of the Wildlife and Countryside Act 1981 (as amended), wild birds are protected from being killed, injured or captured, while their nests and eggs are protected from being damaged, destroyed or taken. In addition, certain species such as the Barn Owl are included in Schedule 1 of the Act and are protected against disturbance while nesting and when they have dependent young. Offences against birds listed in Schedule 1 of the Wildlife and Countryside Act are subject to special penalties. An up-to-date list of the species in Schedule 1 is available from [Natural England](#). Further information on wildlife legislation relating to birds can be found on the [RSPB's website](#). If advice is needed, please contact the National Park Authority's Conservation Department on 01439 772700 or [conservation@northyorkmoors.org.uk](mailto:conservation@northyorkmoors.org.uk).
2. Swift (*Apus apus*) populations are declining in the UK due to the loss of nest sites in roof spaces as old buildings are renovated or demolished. Swifts occupy nest sites between May and August, making little noise and causing no mess or smell. Swift populations can be supported by the inclusion of simple and affordable measures during building construction or renovation, such as purpose-made 'swift bricks' or the creation of small loft voids. Guidance can be found on the [Swift Conservation website](#); with additional swift box ideas from [Action for Swifts](#).
3. Listed Building consent has also been granted for this development. You are advised to obtain sight of the notice of Listed Building consent and the approved plans and ensure that the development is carried out strictly in accordance with the approved plans and the terms and conditions of the Listed Building consent.

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. Please Note your Rights of Appeal are attached to this Decision Notice

## Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
  - a) refuse an application for planning permission or grant it subject to conditions;
  - b) refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
  - c) refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

**Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at [www.planningportal.gov.uk/planning/appeals](http://www.planningportal.gov.uk/planning/appeals)**

### Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
