Verification check of condition 5 of Listed Building consent NYM/2021/0881

Consultee response

Condition 5 – Required detailed plans showing constructional details (including glazing), which includes cross-sectional details and means of opening. The information provided only relates to the piggery kitchen and lobby.

Reviewing the submitted details, the kitchen and lobby window can be discharged, however, the three glazed windows which are noted as ‘infill to the hopper feeders’ are not agreed in the approved plans (D12112-03 I) and should be omitted before this condition can be discharged.
