Dear Mr McSheffrey

Tree in Conservation Area – Moonwind, Egton

Thank you for the notification of your intention to carry out works to a tree at Moonwind which was received by this Office on 22 August 2022.

I can confirm that the North York Moors National Park Authority has no objection to the following works:

T1 Ash	Remove
Reason for consent – Tree has dieback (likely to be ash dieback disease), is close to the property, and has limited visibility from the public road.	

Please ensure that if you are not the owner, usually the landowner of the land on which the tree stands, that the owner is happy for you to carry out this work.

As stated in the Town and Country Planning Act 1990 (Listed Buildings and Conservation Areas), the above permission is subject to a six week notification period, with the details recorded in a register open to public inspection. This six week period from the date of notification has now elapsed and therefore the works noted above can be carried out at your earliest convenience within a period of two years and without further reference to myself.
