Dear Wendy

Further to my last email the applicant has noted a mistake on the planning forms. Therefore, we wish to confirm that the foul sewage is to an existing Sewage Package Treatment Plant and not a septic tank as originally stated. It is confirmed that the existing facility is satisfactory and there are no plans for it to be changed post decision.

Please take this email as confirmation that you have our consent to alter the tick box on the form.

Should you require anything further please don't hesitate to get in touch.

Kind regards

Cheryl

Subject: RE: New Planning Application Submission - PP-11621018 - Newbiggin Hall, Aislaby

Good afternoon Wendy

Further to last week's planning submission the applicant has decided to include the remaining 3 cottages (4 in total) on the application for triple usage (holiday let, annexe, local occupancy letting). Therefore, please can these be added to the application as and when you validate. I attach an amended red line plan to encompass these changes and if you can let me know what the additional fee will be I would be

most grateful so I can let the client know.

The names of the adjoining cottages to be included in addition to Park Lane Cottage are: Granary Cottage, Cedar Cottage and Acorn Cottage.

Kind regards

Cheryl
