Dear Emily,

My apologies for not responding sooner. I can confirm that the proposals do not include additional lighting. We are asking for permission for all existing lighting to be replaced by dark skies friendly lighting.

I hope that is ok.

Many thanks

Petra

Dear Petra,

I am emailing regarding the two applications you have submitted for Dark Skies Compliant lighting at Dalby Forest (Visitors Centre and Courtyard). For the application to be assessed correctly by our Dark Skies Consultee, please could you confirm whether the proposal will include any new lighting locations, or whether the proposal is only to replace the existing lighting in the locations that stand at present. I believe it to be the latter – but I would appreciate if you could just confirm this.

Kindest Regards,

Miss Emily Jackson
