Dear Sir/Madam

Prior notification for erection of agricultural storage building under Part 6 Schedule 2 of the 2015 Town and Country Planning (General Permitted Development) Order (or any order revoking and re-enacting that Order) at Hodgson Moor Farm, Gowland Lane, Cloughton

Thank you for your notification under the above Order, which was validated on 08 September 2022.

I am writing, on behalf of the National Park Authority, to advise you that your proposal for erection of agricultural storage building under Part 6 at Hodgson Moor Farm, Gowland Lane, Cloughton, as shown on the submitted plans, has been approved subject to the following:

Condition(s):

1. The development hereby permitted shall begin not later than five years from the date of this decision.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved.
3. If the use of the building for the purposes of agriculture within the unit permanently ceases within five years from the date on which the development was substantially completed, the building shall be removed from the land and the land shall, so far as is practicable, be restored to its condition before development took place.
4. No external lighting shall be installed in the development hereby permitted. Any variation to this will require a new grant of planning consent from the Local Planning Authority.
5. The building shall not be used for the housing of livestock or slurry/manure. The use of the building the subject of this notification for livestock accommodation or slurry/manure storage will require a separate grant of planning permission.
6. The external surface of the roof of the building hereby permitted shall be coloured and thereafter maintained dark grey and shall be maintained in that condition in perpetuity.

7. Prior to the development being brought into use, details of a landscaping scheme for the site shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall provide for the soft landscaping of the site to form a native species rich area along the northern and western boundaries of the site and shall specify plant species, sizes and planting densities for the new areas of planting. The approved details shall be carried out no later than the first planting season following the occupation of the buildings, or completion of the development, whichever is the sooner, or in accordance with a programme agreed by the Local Planning Authority. The approved landscaping scheme shall be maintained in perpetuity.
8. No building hereby permitted shall be occupied until surface water drainage works shall have been implemented in accordance with details that shall first have been submitted to and approved in writing by the local planning authority. Before any details are submitted to the local planning authority an assessment shall be carried out of the potential for disposing of surface water by means of a sustainable drainage system, having regard to Defra's non-statutory technical standards for sustainable drainage systems (or any subsequent version), and the results of the assessment shall have been provided to the local planning authority. Where a sustainable drainage scheme is to be provided, the submitted details shall:
 - i) provide information about the design storm period and intensity, the method employed to delay and control the surface water discharged from the site and the measures taken to prevent pollution of the receiving groundwater and/or surface waters;
 - ii) include a timetable for its implementation; and,
 - iii) provide, a management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public authority or statutory undertaker and any other arrangements to secure the operation of the scheme throughout its lifetime.

The work must be carried out in accordance with the detailed specifications and plans comprised in the notification hereby approved and commenced within five years of the date of this letter, otherwise a new formal notification will be required.

Yours faithfully

Mr C M France
Director of Planning

Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
- a) refuse an application for planning permission or grant it subject to conditions;
 - b) refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
 - c) refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.

4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
