Hi Miss Jackson,
Thank you for this advice.
I can confirm that we plan to reuse all the ironmongery on the replacement door where practically possible

Dear Mr Eisenberg,

I am writing in regard to your applications for Planning Permission and Listed Building Consent for a replacement door at 8 The Esplanade, Robin Hoods Bay (ref: NYM/2022/0759 and NYM/2022/0760).

After consulting with the Authority's Building Conservation Team, I can advise that it would be preferable for the existing ironmongery found upon the existing door to be re-used due to its unique detailing.

As such, the Authority would like to know whether you would agree to re-use the existing ironmongery on the replacement door - this would include the door handle, letterbox, and house number if practically possible.

I would be pleased to know your thoughts at the earliest convenience.

Yours Sincerely,

Miss Emily Jackson
