Dear Hilary – I hope you are fit and well.

The applicant has just been in contact to say that she is a little concerned that the development description doesn't refer to the specific cottages at the former Blacksmiths Arms, feeling that this could cause some confusion. The application relates to Blacksmiths Cottage and Anvil Cottage.

I wonder if we are able to alter the address to include those and for clarity I have identified them on the attached plan.

Kind regards

Cheryl
