Subject: Application NYM/2023/0009 - Working hours

[OFFICIAL]

Good afternoon Rob,

Further to discussions relating to application NYM/2023/0009, I can confirm that Anglo American will restrict earthworks activities to within a window of 07:30 – 18:00, Mon – Fri. No earthworks will be carried out on Saturdays or Sundays without the prior written approval of the NYMNPA. We would be happy for a condition covering these working hours to be included in any forthcoming Decision Notice, should the application be approved.

Best regards,

Rob.
