Others

	Average number throughout the year	Additional information
Other Livestock, i.e. Horses	3	

Land

	Area in Hectares	Additional information
Size of Holding	6.88	
Available Grazing Land	5	
Arable Lane	none	
Moorland	none	
Grazing Land on Short Term Tenancy	none	

Agricultural Buildings

List main existing agricultural buildings and use	Approximate dimensions in metres	Is it a modern or traditional building?
1. none available		
2.		
3.		
4.		
5.		
6.		
7.		
8.		

Proposed building(s) and use	Dimensions in metres
1. Agricultural shed, livestock	14m x 13m
2. housing, workshop, machinery store, feed store	

Please Note: It would be helpful if you could attach a sketched block plan annotating which building is which as referred to above.

Please detail below how the farming operation on site may change as a result of the proposal i.e. increase in stock levels or justification for the use of the new building.

At present and for some time previously there has been little farming operations, as a result the land is rough, over grown and very poor. By grazing and pasture management this will improve the land and the look of the area. Our aim is to reinstate the Mill race and rebuild the water wheel, returning this beautiful place back to its former glory, and hopefully providing an added attraction for our proposed tea room. For all these activities ^{we} will need an agricultural shed, for cattle/livestock housing, machinery, digger storage and a general workshop area.
