Subject: Re: FW: New application post - NYM/2023/0107 - Gateway Centre Garages, Whitegate Close, Staithes - Parish

Good Afternoon

If that is the case, I have discussed this with our Chairman and his view is that HPC will continue to object using the same grounds as we have with previous applications:

- 1 - We consider the location is wrong for the village of Staithes
- 2 - The visual impact on the village will be a negative one.
- 3 - The mast is sited too close to residential developments
