

# **North York Moors National Park Authority**

## **18 May 2023 Planning Committee members update sheet**

### **Item 1, NYM/2023/0139**

It has come to the Authority's attention that a touring caravan has been brought onto the application site as such the development description has been amended as follows:

Use of land for the siting of one touring caravan for seasonal residential use (01 April to 30 September in any one calendar year) for a temporary five year period (retrospective)
