Dear Mr McLaughlan

Trees in Conservation Area – Kirkdale Cottage, Egton Bridge

Thank you for the notification of your intention to carry out works to trees at Kirkdale Cottage which was received by this Office on 5 May 2023.

I can confirm that the North York Moors National Park Authority has no objection to the following works:

Fell 11 Norway Spruce	Outgrowing location
-----------------------	---------------------

Please ensure that the owner of the trees, usually the landowner of the land on which the trees stand, is happy for the work to be carried out.

As stated in the Town and Country Planning Act 1990 (Listed Buildings and Conservation Areas), the above permission is subject to a six week notification period, with the details recorded in a register open to public inspection. This six week period from the date of notification has now elapsed and therefore the works noted above can be carried out at your earliest convenience within a period of two years and without further reference to myself.
