No Objection

Stable Yard is a grade 2 listed building, therefore this application has been assessed in accordance with Section 16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as well as Chapter 16 of the NPPF paragraphs 189, 194 and 197.

There is an element of public benefit with this scheme as it will provide better internet signal to the area. As long as the cable follows the line of the guttering and is painted black to match, there are no objections.
