Importance: High

Morning Planning Team,

Thank you for the acknowledgement.

In respect of timescale to be noted on the decision we would suggest 5 years.

In respect of the clients requirement for the container:-

Cricket; the last season saw the return of Cricket to the field. The senior team which had been on and off is now settled and for the first time in a number of years Junior cricket sides played a full season in the local league.

Football; The senior side is well established but as with the cricket the club has expanded to include a range of Junior teams playing in local leagues.

One of the main reasons for the increase of sporting activity is the standard of facilities and equipment Sleights Sportsfield is able to offer.

The Pavilion and attached Storage works very well but the temporary store is now also relied upon. It is a combination of the two sports but also the range of ages as they require different equipment. The container is well screened and continues to provide good secure storage.

I hope these details are as required but please let me know if you require anything further.

Kind regards

Neil
