Subject: Millstones, Replacement Windows NYM/2023/0650

Hi Victoria,

Further to my response e-mail of 23/11/2023 regarding the above, the applicant after taking into account your comments, would like to propose a change of the window colour to Agate Grey (see attached photo's.) obviously leaving the opening lights and glazing bars unchanged. The supplier has stated the proposed installation is of 'equal sight line'

I trust you will now find this acceptable.

Regards

W Henderson
