The above named Authority being the Planning Authority for the purposes of your application validated 15 November 2023, in respect of proposed development for the purposes of **variation of condition 2 (material amendment) of planning approval NYM/2021/0746/FL to allow enlargement of approved rear extension at first floor level at Glendower, 5 Sled Gates, Fylingthorpe** has considered your application and has **granted** permission for the proposed development subject to the following:

Condition(s):

1. The development hereby permitted shall be commenced before the 20 December 2024.
2. The development hereby permitted shall be carried out in accordance with the following approved plans:

| Document Description | Drawing No. | Date Received |
|--|------------------|---------------|
| Proposed Revised Version Plans & Elevations | D12052-06 Rev. F | 28 Nov 2023 |
3. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 Schedule 2, Part 1, Class A (or any order revoking and re-enacting that Order), no further extensions to the property known as Glendower, 5 Sled Gates shall take place without a further grant of planning permission being obtained from the Local Planning Authority.
4. No up-lighting shall be installed on the development hereby permitted. Any external lighting installed on the development hereby approved shall be Dark Night Skies compliant, fitted with a warm white bulb of 3000k or less and no more than 500 lumens. All lighting fixtures should be shielded/fully cut off to prevent upward and minimise horizontal light spill and all lighting shall be installed to minimise its impact on neighbouring amenity. The lighting shall be installed in accordance with the above and shall be maintained in that condition in perpetuity.
5. The finish of the walls to be rendered shall match the existing render in colour and texture and thereafter be so maintained unless otherwise agreed in writing by the Local Planning Authority. Such rendering and colouring is to be completed no later than one month after the development hereby permitted being first brought into use.
6. The roof tiles utilised in carrying out the development hereby permitted shall match those of the existing building unless otherwise agreed in writing with the Local Planning Authority.

7. The guttering to the development hereby permitted shall be directly fixed to the masonry by means of gutter spikes located within the mortar joint with no fascia boarding being utilised in the development and shall thereafter be so maintained in that condition in perpetuity.
8. All rainwater and foul water goods utilised in the development hereby permitted shall be coloured black and shall thereafter be so maintained in that condition in perpetuity.

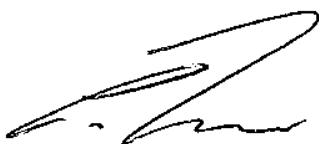

Informative(s)

1. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately, and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.
2. With reference to condition no. 4 above, further advice and guidance in relation to suitable external lighting fixtures is available on the [Authority's web site](#) or by contacting the Authority at planning@northyorkmoors.org.uk. In order to safeguard the quality of the dark night skies and night time environment for nocturnal species, the applicant is advised to ensure the enlarged areas of glazing and new glazing serving the development hereby approved is treated or shielded to minimise light spill (through tinting, or use of electronically controlled blinds or smart glass).
3. The applicant's attention is drawn to the comments submitted by the Local Highway Authority as below:
 - The Local Highway Authority are concerned about the available visibility for drivers leaving the driveway of the property and looking downhill to see oncoming traffic. It is noted that the drive access has been extended on the uphill side to increase the visibility of the driver looking downhill and the Local Highway Authority would like to see this safety feature facility remain available for the residents.

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.

Please Note your Rights of Appeal are attached to this Decision Notice

Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
 - a) refuse an application for planning permission or grant it subject to conditions;
 - b) refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
 - c) refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
