You don't often get email from

[Learn why this is important](#)

Good Morning

I am sending photos of the stone panel and old English pan tiles to be used at [plot 1 Low Farm Sneaton 2023/0488](#). I was also hoping to use Upvc windows instead of timber the same as the property currently being built in the corner of sneaton if this is acceptable ? Do I need to send photos of these windows or bring one to the office ?

Many Thanks

Jamie Sutton
