The shelter causes no harm to views and is no an obstacle while walking through the right of way. I am for the proposal as it makes sense on the positioning too.

21st December 2023.

Dear Miss Gibson,

In reference to the application of a field shelter for horses (retrospective) at land to the rear of The Forge, High Street, Egton

Our view is that it should be moved to lie to the left of the field, in line with the converted barn building. It is on the footpath line at the moment and also it blocks our view of the open field behind it.

Yours Sincerely,

D. [unclear]
