

**Town and Country Planning Act 1990  
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for  
Permission to Carry out Development**

To Ms Rachel Barker  
Windy Ridge  
Egton  
North Yorkshire  
YO21 1UE

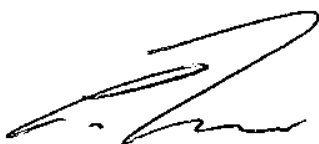

The above named Authority being the Planning Authority for the purposes of your application validated 31 January 2024, in respect of **construction of extension to existing studio building to house home gym and use of land for the siting of timber pod to provide overflow accommodation to the dwelling at Windy Ridge, Egton** has considered your said application and has **refused** permission for the proposed development for the following reason(s):

**Reason(s) for Refusal:**

1. The proposed camping pod, by reason of its siting and position outside of the domestic curtilage, would have a harmful visual impact on the surrounding landscape and would result in an encroachment of domestic development into the open countryside. The siting of the pod would also result in an unacceptable impact on neighbouring amenities in terms of overlooking. It is therefore considered that the proposed development would be contrary to Strategic Policy A Strategic Policy C and Policy CO18 of the Authority's adopted Policies, as set out within the Local Plan and Paragraph 182 of the NPPF.
2. The proposed extension to the existing outbuilding would not be in keeping with the host building in terms of its material finish. It is considered that the introduction of a rendered extension to the outbuilding would be harmful to the original character of the building, contrary to Strategic Policy C and Policy CO17 of the Authority's adopted policies, as set out within the Local Plan and Paragraphs 139 and 182 of the NPPF.
3. The proposed camping pod fails to meet the requirements for annex accommodation, as set out within Policy CO18 of the Authority's adopted policies, contained within the Local Plan, in that the unit is not physically attached to the main dwelling with an interconnecting door, nor is it located within the curtilage of the main residential unit.
4. The proposed extension to the existing outbuilding, combined with existing extensions to the main dwelling, would result in a total increase in habitable floorspace that exceeds the 30% limit in Policy CO17 of the Authority's adopted policies, as set out within the Local Plan.

**Explanation of how the Authority has Worked Positively with the Applicant/Agent**

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and concluded that the scheme represents a form of development so far removed from the vision of the sustainable development supported in the Development Plan that no changes could be negotiated to render the scheme acceptable and thus no changes were requested.

Director of Planning

Please Note your Rights of Appeal are attached to this Decision Notice

## Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
- refuse an application for planning permission or grant it subject to conditions;
  - refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
  - refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

**Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at [www.planningportal.gov.uk/planning/appeals](http://www.planningportal.gov.uk/planning/appeals)**

### Notes

- Please note, only the applicant possesses the right of appeal.
- No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
- In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
