**Town and Country Planning Act 1990  
North York Moors National Park Authority**

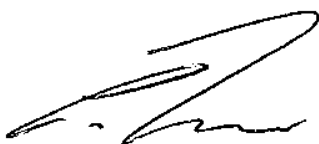

**Notice of Decision of Planning Authority on Application for  
Permission to Carry out Development**

7. If the use of the building for the purposes of agriculture within the unit permanently ceases within five years from the date on which the development was substantially completed, the building shall be removed from the land and the land shall, so far as is practicable, be restored to its condition before development took place.
8. No trees along the northern boundary of the site shall be cut down, uprooted, destroyed, pruned, cut or damaged in any manner within 5 years of the building hereby approved being first brought into use, unless details have been submitted to and approved in writing by Local Planning Authority.
9. The solar panels hereby approved shall have black frames and thereafter be so maintained.

**Reason(s) for Condition(s)**

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan, which seek to conserve and enhance the special qualities of the National Park.
3. To enhance Protected and Priority Species/habitats and allow the Local Planning Authority to discharge its duties under the s40 of the Natural Environment and Rural Communities Act 2006 (Priority habitats & species).
4. For the avoidance of doubt and in order to comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
5. To comply with the provisions of Policy ENV7 of the North York Moors Local Plan and to ensure that clean roof water does not mix with areas fouled by machinery or livestock thus preventing the creation of dirty water.
6. In order to enable the Local Planning Authority to retain control over future alterations to the property in the interests of safeguarding the existing form and character of the building in line with North York Moors Local Plan Strategic Policies A and C, which seek to enhance and conserve the special qualities of the National Park and secure high quality design for new development that does not detract from the quality of life of local residents; in accordance with Policy ENV4 which seeks to protect dark night skies.
7. In order to comply with the provisions of Strategic Policy A and Policy BL5 of the North York Moors Local Plan which seeks to ensure that there is a functional requirement for the building in the long term to justify an exception being made to normal planning policies which seek to restrict new development in the countryside.

Please Note your Rights of Appeal are attached to this Decision Notice

## Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to:
- refuse an application for planning permission or grant it subject to conditions;
  - refuse an application for any consent, agreement or approval required by a condition imposed on a grant of planning permission or grant it subject to conditions; or
  - refuse an application for any approval required under a development order

they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

**Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at [www.planningportal.gov.uk/planning/appeals](http://www.planningportal.gov.uk/planning/appeals)**

### Notes

- Please note, only the applicant possesses the right of appeal.
- No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
- In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
