Good Afternoon

Can we please have an extension for comments as the PC does not meet until 17 July. Many thanks.

Kind regards

Dear Emily,

I'm just emailing to confirm that although the HER records a former WW2 air Raid wardens post in the garden of this application (HER18610), it is thought that this was sited in the front part of the garden and away from the development. Consequently, I have no objections to the proposal, or recommendations for archaeological conditions.

Kind Regards,

Miles
