Good morning Hilary,

Beacholme, is just 3 bedrooms and relatively small inside; I have always kept my business life separate from my home, even down to office work . When the Tea Hut was built, in 2018, we also renovated a storage barn in the Fisherhead Car Park and have used this ever since.

I have attached some pictures of the Beach Cleaning station we had built and attached to the Galley. It is a really popular entertainment with families and educating children. If we had to demolish the Tea Hut in order to sell Beacholme, this would be another facility the village would lose; including 7 local jobs.
