Dear Mr Agar,  
Thank you for the amended plans for 15B Main Road Aislaby submitted on the 9 August 2016.  
A painted stain would give a more traditional appearance than stain and therefore if you wish to avoid a Condition I would be grateful if your client could provide us with details of their choice of paint colour. Ideally a dark colour would be best, but really anything other than white or cream is likely to be acceptable. I look forward to hearing from you before the 26 August to allow the application to progress towards determination within the 8 week application period.  
Regards,

Mrs Ailsa Teasdale
