Hi Helen,

I hope you have had a good break.

I confirm we only wish to pursue the reinstatement of the rear door element and that the extension be withdrawn from consideration.

Kind regards  
Neil

Dear Neil

I have just returned from a short spell of annual leave and have been preparing my report and recommendation for 10 Sunny Place. Looking through the file I can see a letter was sent requesting an extension to the determination date (to the 09<sup>th</sup> November) but I haven't had a formal response from you. That in itself is not a problem from the Authority's point of view but other than our informal discussions and e-mails regarding the omission of the first floor extension and photographic evidence of the door, I have not had a formal request to withdraw the extension element.

If this is still how your client wishes to proceed, I would be grateful to receive confirmation that you only wish to pursue the reinstatement of the rear door element and for the extension to be withdrawn from consideration at your earliest convenience.

If you would like to discuss the matter, please do not hesitate to contact me.

Yours sincerely  
H. Webster
