Dear Sir or Madam,

In accompaniment to my Application for approval of details by condition, namely i
constructional details of the windows fitted to The Old Forge, I enclose the followi

1. Final order details from the window manufacturer in Bradford showing lay
fitted and cross sectional drawing of the timber construction of the window
Doors.
2. Info on Red Grandis Timber

Sash Timber
Unit 1 Hanworth Court
Low Moor
Bradford
BD12 0SG

The constructional design and material used were chosen after substantial conver:
NYNP. The timber used is an engineered sustainable hardwood called Red Grandis
Hi-tech machined traditional double tenoning and adhesive

There was some confusion regarding trickle vents in the sashes, as they were not c
noted on the drawings and we were not aware that they were not desired. In supp
as the windows and are not obvious in the otherwise beautiful windows.

The windows are guaranteed for ten years and paint coating for five years

Timber construction casement windows:

Traditional Flush casement design:

Traditional handles:

Colour not to be white.

Windows were fitted by manufacturer as part of guarantee:

Yours faithfully,

27/10/2016

John Stainthorp
