Conditions (Continued)

4. The roof of the development hereby permitted shall be clad in natural slate to be of the same geological match of the existing building and in terms of colour, profile and course height and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
5. All pointing in the development hereby permitted shall accord with the following specification - a lime mortar mix of 1:2.5 lime:aggregate with a slightly recessed bagged finish.
6. No work shall commence on the installation of the stone balustrade in the development hereby approved until detailed plans showing the sectional detail has been submitted to and approved in writing by the Local Planning Authority. The balustrade shall be installed in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
7. Where possible existing windows shall be refurbished. Where this is unavoidable no work shall commence on the installation of any replacement or new windows (and glazing if included) in the development hereby approved until detailed plans showing the constructional details of all window frames to be used in the development have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. The window frames shall be installed in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
8. Where possible existing doors shall be refurbished. Where this is unavoidable no work shall commence on the installation of any door in the development hereby approved until detailed plans showing the constructional details and external appearance of all external doors and frames (and glazing if included) have been submitted to and approved in writing by the Local Planning Authority. All doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
9. The guttering to the development hereby permitted shall be directly fixed to the stonework by means of gutter spikes with no fascia boarding being utilised in the development and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
10. All rainwater goods shall be black painted cast iron and thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing by the Local Planning Authority.
11. Notwithstanding the details submitted, the stone floor to the front hallway shall not be lifted or otherwise modified or subjected to damp proofing treatments unless otherwise agreed in writing by the Local Planning Authority.
12. No external lighting shall be installed in the development hereby permitted until details of lighting have been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.
